Alexandria, VA 22313-1450

DECLARATION UNDER 37 C.F.R. 1.132 OF KE LIU

1. I am a co-inventor of the above-captioned application, along with Steven A. Rosenberg.
2. The scientific research article entitled "Transduction of an *IL-2* Gene into Human Melanoma-Reactive Lymphocytes Results in Their Continued Growth in the Absence of Exogenous *IL-2* and Maintenance of Specific Antitumor Activity," which published as pages 6356-6365 of Volume 167 of the Journal of Immunology represents the work of myself and Dr. Rosenberg.
3. I hereby declare that all statements made herein of my own knowledge are true, that all statements made on information and belief are believed to be true, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or

Application No. 10/513,145

imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Date:

8-28-07
